Metro Shuttle: The shuttle operates daily Monday - Friday, 6:45 a.m. to 6:15 p.m. between NIST and the Shady Grove Metro Station. The shuttle stops at the 4th kiosk on the Eastside of the Shady Grove Metro Station, and at NIST in front of the Administration Building (101) every 30 minutes. The first shuttle leaves the Shady Grove Metro Station at 6:45 a.m. and the last shuttle from NIST leaves at 6:05 p.m.

MARC Shuttle: The shuttle operates in the AM & PM between the Metropolitan Grove (AM), and the Gaithersburg (PM) MARC Stations, to the NIST Administration Building (101). This shuttle will make six runs in the AM and five runs in the PM.

The NIST Shuttle Service operates Monday through Friday from 6:45 a.m. to 6:15 p.m. It does not operate on the weekend and on Federal holidays.

Weather Delays

In the event that adverse weather conditions delay arrival, or cause NIST to close early, we will adjust our shuttles schedules.

If there is a delayed opening, the Metro shuttle will begin at Shady Grove with the first departure leaving one (1) hour prior to opening time, and will depart the Metro Station every 15 minutes until 11:00 a.m. Starting at 11:05 a.m. the shuttle will return to its normal schedule. Delays are possible. Call 301-975-3315 for updated information.

On Call Shuttle

We will be offering an on-call building to building pick up service. To use this service, you will need to call David Easton on 301-975-5922 three (3) days in advance to reserve the time. We will make every effort to accommodate requests received with less than 3 days' notice but cannot guarantee shuttle availability. There is a fee for this service.
